

Wordhunt

Aim: Contestants need to answer the given questions by making use of the provided crossword type puzzle.

Do you know which planet spins backwards relative to the other planets and is referred to as the God of Sea? Wondering what's this all about? Testing your mind at solving clues and linking the letters for the next answer, that's the essence of this event. Wordhunt is a puzzle consisting of jumbled letters meant to test your thinking skills and have some fun while doing so.

P.S. Still looking for the answer? Neptune it is!

Location: Metta Parking

Gameplay and Scoring: Points awarded for every question answered.

Team Size: 1
