

SCRAPE-A-SOAP

AIM

You'll be required to model a specific 3D model using a soap by looking at the top, front and side view. The most dimensionally accurate and fastest maker shall be the winner.

DESCRIPTION

Now you need to know that the King of Persia, Cyrus The Great wanted to gift her queen, Tomyris a precious memento. But as per the spell casted by a saint that precious thing can be only claimed once a model is carved out of a soap and a magical spell is casted when its neither dusk nor dawn. Is your Imagination strong? Will you be able to cast this spell with magic of your creativity and craft of hands? Let's find out.

JUDGEMENT CRITERIA

Judgement will be done on the basis of dimensional accuracy and the time taken to make the required soap model. The surface finish will also be given due weightage. The final decision of organizers will prevail.

ELIGIBILITY CRITERIA

1. All students with a valid identity card of their respective educational institutes are eligible to participate.
2. Cross-college participation is allowed.
3. The participants are encouraged to pre-register for the competition.
4. The decision of the organizers will be final and binding to all.

TEAM SPECIFICATIONS

1. Each team will consist of 2 members only.
2. No two teams can have the same member.
