

PROBLEM STATEMENT

Scrape-A-Soap

COMPETITION DESCRIPTION

Scrape-A-Soap is a fun competition that tests your 3D imagination, creativity and craft of your hands at the same time. You'll be required to model a given 3D drawing on a soap. The most dimensionally accurate and fastest maker shall be the winner.

COMPETITION RULES

1. One team can have a maximum of 2 members. All students with a valid identity card of their respective educational institutes are eligible to participate.
2. Cross-college participation is allowed but no two teams can have a same member.
3. The participants are encouraged to pre-register for the competition.
4. The decision of the organizers is final and binding to all.

JUDGEMENT CRITERIA

Judgement will be done on the basis of dimensional accuracy and the time taken to make the required soap model. The surface finish will also be given due weightage. The final decision of organizers will prevail.
