

# SURVEY HUNT

## COMPETITION DESCRIPTION

Survey hunt is an event based on the surveying of an area. Hints will be given to hunt your destination. Participants should have basic knowledge about surveying prior to the event. Roam around the fields and break the shield.

## COMPETITION STRUCTURE

- The event will be held in two stages, PRELIMS and FINALS.
- PRELIMS - In the preliminary stage, there will be a 15 minute pen-and-paper quiz. Teams qualifying to next stage will be announced just after the prelims.
- FINALS – From the prelims, top 6 teams shall qualify for the finals. The final problem statement to be exercised will be given on the spot to the qualifying teams.
- The scope of the competition will require both theoretical and practical knowledge of Surveying.

## RULES

- One team can have a minimum of 3 and a maximum of 5 participants.
- Cross-college participation is allowed but no two teams can have a same member.
- Both the rounds will take place back-to-back and in case a qualifying team does not abide by the time limits, it will be disqualified and the next top scoring team from the previous stages will be called in.
- The participants are encouraged to pre-register for the competition.
- The decision of the organizers is final and binding to all.

*[The specific details for all the rounds and scoring criteria will be revealed on the spot]*
